**Middle School Student Presentations
(7th- 8th grade)**

<p>College: A ticket to your future</p>	<p>Join our team of experts as we discuss higher education and talk about what you need to know to get started on your journey. Let's think about college and plan for your future today!</p>	
<p>College Exploration</p>	<p>Did you know that California has 4 systems of higher education and post-secondary options? Join our team as we discuss the options available to CA students and how middle school students can begin to explore their educational and career goals.</p>	
<p>Career Exploration</p>	<p>Join us as we discuss career exploration for middle school students; a process of building self-awareness, learning about potential career pathways, and developing a plan for reaching future educational and career goals.</p>	

High School Student Presentation (9th-12th grade)

<p>What are my skills?</p>	<p>Let's talk about your skills! Our workshop is designed to be an open space where the presenter & participants can interact and share thoughts about what sets them apart. Knowing your skills is as important as applying them to your educational path and the career of your dreams.</p>	<p>Ideal for small groups</p>
<p>Financial Literacy</p>	<p>Adulting can be difficult, and so can managing your finances. Join our team of experts to learn how creating a budget, saving, and managing a credit card can be easier by setting personal goals.</p>	
<p>Financial Aid 101</p>	<p>Join us as we discuss the four types of financial aid that you may be eligible for when filling out the FAFSA or CADAA application. In addition, CAL-SOAP LA's team of experts is prepared to provide information, resources, and 1-on-1 support for students ready to start the application process.</p>	
<p>CTE Pathways</p>	<p>California Community Colleges offer career technical education for students ready to join the workforce. Our team of experts is ready to share resources to get you started on your potential career move!</p>	
<p>Career Preparation Skills</p>	<p>Unsure of what skills employers are seeking? Join us to discuss the importance of career preparation skills and share</p>	

	resources that you can use to build up your resume!	
Career & College Exploration	Unsure of what college or major to pick? Consider learning about potential career interests that will propel your educational goals. Then, let's talk about your aspirations!	
College Match & Fit	One size does not fit all. Join us to discuss how different campuses can be a match and fit for your educational and personal goals.	

**First Year Experience
(12th grade & first year of college)**

FYE: Award Letter Review & Verification	Did you get selected for "verification" and you don't know what that means? This session will discuss what "verification" means and will help you understand how much aid is being offered to finance your post-secondary education. In addition, our team will offer scholarship information and resources!	
FYE: Award Letter Appeal	Has your financial situation changed? Join our team of CALSOAP experts as we discuss your financial aid award & how you can appeal for a better offer from the college or university of your choice.	
FYE: College Resources <i>(available in English & Spanish)</i>	Join us as we discuss the different resources available to students at all colleges and universities, and why they are so important.	Únase a nosotros mientras discutimos los diferentes recursos disponibles para los estudiantes en todos los

		colegios y universidades, y por qué son tan importantes.
FYE: Accepting your Offer of Admissions/SIR	Join us as we discuss the impact that financial aid, campus resources, and location have on your college decision. Learn how to accept your admission offer and submit your Statement of Intent to Register (SIR) in May. Participants will also learn how to determine which schools present better aid packages.	

Session offerings can become unavailable or removed without notice. Please contact CALSOAP LA with any questions.
