First Year Experience (12 th grade & first year of college)		
First Year Experience. Award Letter Review & Verification	Did you get selected for "verification" and you don't know what that means? This session will discuss what "verification" means and will help you understand how much aid is being offered to finance your post-secondary education.	45 min
First Year Experience. Award Letter Appeal	Has your financial situation changed? Join our team of CAL-SOAP experts as we discuss your financial aid award & how you can appeal for a better offer from the college or university of your choice.	Pre-recorded (register for link)
First Year Experience. Accepting your Offer of Admissions (SIR).	Are you ready to accept an offer of admission? Don't know what to do? Watch this video for guidance.	Pre-recorded (register for link)
First Year Experience. College Resources	Colleges and Universities have many programs, departments, and resources to help students be successful (especially during that crucial first year). This video will show you some of the resources that our CALSOAP LA college students have used to help ease the nerves of being a first-time college student.	Pre-recorded (register for link)
Workshops. How to Create a Studentaid.gov Account OR Cash for College	These are hands-on workshops where CALSOAP LA staff will work directly with parents and students to help them create a Studentaid.gov account or submit the FAFSA or CADAA application. To receive support, your Cash for College workshop must be officially registered with CSAC. Don't know how to register? We can help you.	*Request may be denied due to limited CALSOAP staff availability.

Session offerings can become unavailable or removed without notice. Please contact CALSOAP LA with any questions.
